### **Mission Statement**

Established in 1983, School's Out, Inc. is a community based, non-profit organization dedicated to providing safe, reliable, quality, and convenient care to complement elementary education within the Bethlehem Central School District.

School's Out, Inc. supports families with trained and caring staff who develop and implement programs which build children's interests, social skills, self-confidence, and creativity. School's Out, Inc. will continue to provide the highest quality of care through programs and address the changing needs of the parents/guardians and the community of the Bethlehem School District. This will include strengthening relationships and partnerships with the community and the school district while maintaining organizational autonomy and financial viability.

School's Out, Inc. will be known for:

- its diverse, consistent, and enriched educational and recreational opportunities
- providing access to technological resources
- talented, competent, and dedicated staff
- programs that are fun for children

## The Beginning of School's Out, Inc.

Parent/guardians, have you ever wondered how School's Out, Inc. began in the first place? To quote Marty DeLaney, former School's Out, Inc. founder and parent/guardian, here is what happened...

"Early in 1982, after being a stay at home mom for 5 years, I went back to work part-time and found myself talking to parent/guardians at the Hamagrael Elementary School about the difficult balancing act of after school care. The names that come to mind right now; Nancy Ray, Bonnie Cohen, Christopher Smith and Pam Siegal, among others, helped me formulate an idea to bring to Principal Joe Schaefer.

If we could find space in the community, the parent/guardian group would create an after-school care program busing children to a central location for an enrichment program. We all agreed that we wanted it to be what we referred to as the "Helderberg Workshop" of after school care; not a babysitting service, but enrichment, outdoor play, and snacks. Our vision is unchanged to this day, and I know we became role models for other towns shaping similar programs.

Right from the start, Principal Joe Schaefer was amazing! He went to bat for us with Superintendent Lawrence Zinn. Joe suggested we recruit expert volunteers from the community to form a Board of Directors for personnel issues, insurance, health and safety, activities, policies, procedures. We used to meet in my living room in the evening, with various little ones running underfoot. Many in the group were flying by the seat of their pants; we had a vision, but only each other to motivate us to get it going.

Our research into other communities showed no other after care programs. In fact, the name we chose came from the title of a magazine article, "What Happens When School's Out and Nobody's Home?". The whole process took almost a year, and as I think back on it now, it was like having another baby! Dr. Zinn was not inclined to support the effort at first, thinking that Bethlehem parent/guardians had little need for such a program. I remember the edge in his voice whenever he answered my phone calls; he no doubt hoped the stumbling blocks would make us give up and drift away.

I know that Principal Joe Schaefer would eventually become a hero, by helping us convince the school board how much need there really was. Most of us were working part-time and getting home anywhere from 20 to 90 minutes after the school bus dropped our children off. Since the term, "latch-key kid" had a negative connotation; some of us even hid the fact that our children reached the front door before we did!

At one especially memorable School Board meeting, we were given a list of at least a dozen requirements that had to be met before any further talks could take place. A big hurdle was the busing situation, as well as how to handle contingency situations. We surprised Dr. Zinn and ourselves when we got it all together, and it was as a team that we went forward from there!

The First United Methodist Church was very helpful in getting us started, letting us share space with their Sunday school classes and installing separate phone lines in the building.

Our first Director, Terry Pullman, also donated much of her time during those early months, shopping for bargains and recruiting more help.

When the program opened in the Fall of 1983, there was still doubt in the minds of many bus drivers and school secretaries as to how this would all work out. Moreover, there were no licensing guidelines for after school care in the early 1980's, so the following years brought much work for Board Members to get us licensed.

Nevertheless, with luck and hard work, the program began to flourish. As one of the founding parent/guardians, I often spoke to groups in other communities-and soon, we became known as pioneers in the field. By the springs of 1987, we even had a call from the producers of "The Phil Donahue Show" who were doing a show about alternatives to "latchkey" care. They heard about School's Out and I ended up as a member of the panel on his show along with my 8 and 10-year-old daughters.

It has been gratifying to watch School's Outgrow and add new and exciting services. The number of families now served is astounding...we envisioned a big program, but no one really knew just how big it would be 30 plus years later!"

Many thanks to Marty DeLaney, who is the past President of Bethlehem's Chamber of Commerce, for taking the time to write this. We thought the story was memorable and knew our parent/guardians would be interested in hearing how School's Out began! Thank you to our former predecessors and parent/guardians who with vision and hard work, made School's Out a reality.

Dr. Leslie Loomis and Dr. Michael Tebanno, who are now the retired Superintendents of the Bethlehem Central School District, have been very supportive of School's Out! We are very grateful for their collaboration and encouragement of the program during their tenure. Dr. Thomas Douglas, the immediate past Superintendent of the Bethlehem School District, was very supportive of School's Out, Inc. and we enjoy working with the current superintendent, Jody Monroe.

Thank you to all the Board Members and parent/guardian committees through the years that have contributed to School's Out Inc.

School's Out Inc. is proud to have served the Bethlehem Community for almost 40 years!

### **What is School's Out, Inc.**

School's Out, Inc. (SOI) is a nonprofit organization which operates before and after school childcare programs during the school year for children who reside in the Bethlehem School District in grades Kindergarten through Fifth. The school year programming also includes childcare programs for scheduled half and full vacation days. SOI also offers a full day summer program for children who are entering grades first through sixth.

If a child requires or has daily access to an aide in the classroom, parent/guardians must provide an aide for safe participation in the before/after school and vacation care programs. The child must be able to independently care for themselves (i.e., feed themselves, toilet themselves, independently communicate). SOI will make every effort to accommodate every child. Please notify SOI at the time of registration if your child has special needs to help us plan for your child.

SOI is required to maintain a minimum ratio of one (1) staff person for every ten (10) children under the age of ten (10) years. For children over the age of ten (10), the required ratio is one (1) staff person for every fifteen (15) children. Children unable to independently work within these mandated ratios may be unable to continue in the program.

SOI is not licensed for drop-in care. SOI cannot allow children to use a program (before and/or after school) in which they are not enrolled on a consistent basis.

### **Transportation**

Parents/guardians must arrange for their children's transportation to the before school program and from the after-school program. Should a child be required to leave the program early, parents/guardians are responsible for arranging transportation. Children can be released only to adults authorized by their parent/guardian in writing. No call in alternate adults to pick up your child will be accepted unless they are listed as an emergency pick-up on the registration form. Under no circumstances may staff transport children.

The Bethlehem School District transports children from the SOI Enrichment Center to their schools at the end of the before school program and in the afternoon from the school to the SOI Enrichment Center for the after-school program.

SOI is not responsible for childcare arrangements outside of SOI's regular hours of operation. If a parent/guardian requests that a SOI staff member transport their child to or from a SOI site, the parent/guardian and the requested SOI staff member must complete a Waiver of Liability form and submit to the SOI Executive Director.

### **Arrival and Pick-up Procedures**

For both the before and after school programs, only parents/guardians or designated adults will be allowed to sign children in or out from the program. If a person other than the designated adults specified on the registration form will be picking up your children, a written note from the parent is required. For the protection of your children and per NYS regulations, identification will be requested (driver's license or photo ID) at the time of pick-up. SOI asks that parents/guardians please inform the designated adults who are listed as pick-ups or emergency contacts of this policy.

Children who are signed up for extracurricular activities at their school and the SOI site is the elementary cafeteria, children must check into the SOI program first with the Site Manager. SOI must have a signed permission slip from the parent/guardian in advance of the activity. Children who are enrolled at the Enrichment Center and attend extracurricular school

functions, must be picked up immediately after the activity. They cannot join the SOI program in the school cafeteria as they are not registered at the site and there is no emergency information on premise for the child.

If the SOI program is being held in a different location or the children are outside, a note will be left at their regular SOI site indicating where they are. Attendance is taken when the children are lined up to go out and back to the SOI site as well as every fifteen (15) minutes in between. If children are attending intramurals at the elementary school and are assigned to that SOI elementary school site, a SOI staff member will be assigned by the Site Manager to meet the children so that they may be escorted back to the SOI program.

### **Inebriated Parent**

If the SOI staff reasonably believe that a parent/guardian arriving to pick up a child is under the influence of alcohol/drugs and the SOI staff are concerned for the safety of the child, the parent/guardian will be required to provide alternative transportation for the child. While SOI employees cannot hold a child against the parents or guardian's wishes, in the event that SOI staff reasonably believe the parent or guardian to be under the influence of alcohol, drugs and are concerned for the safety of the child, if the parent or guardian refuses to arrange for alternative transportation, the SOI staff, as mandated reporters, will be obligated to make report to authorities (the police and New York State Child Abuse Hotline).

### **Weather Related School Delays and Closings**

In the event of Bethlehem School District delays, early dismissals, or closings, SOI will be listed on all the major television and radio stations.

When the Bethlehem School District is closed, all SOI programs are closed.

When the Bethlehem School District has any delay in the morning, SOI before school program is closed.

When the Bethlehem School District dismisses early or cancels afterschool activities, SOI after school program will be closed.

### **Dress Code**

Children must come to any SOI program with the appropriate dress for indoor and outdoor activities. Please label all clothing and belongings with the child's name. Outdoor activities will be incorporated into the program on a regular basis except during inclement weather. The decision to play outdoors will be made by the SOI Site Managers and Program Supervisor.

### **Breakfast and Afternoon Snack**

Children may bring their own breakfast to the before school program. SOI staff will provide a comfortable place for the children to eat. Children can participate in the school breakfast program at their elementary school if it is available.

SOI provides a scheduled afternoon snack for the afterschool program. A monthly menu is posted on the parent board at each SOI site. If the menu for the day changes for whatever reason, the SOI Site Manager will write in the substitute food on the menu. Children are welcome to bring their own snack.

SOI keeps an updated list of children who have special dietary requirements. Parents/Guardians must up notify SOI immediately of any changes and/or new dietary requirements. Peanuts are avoided in the SOI snack menu, but many products may still contain trace amounts of peanuts.

### **Homework**

SOI Site Managers strive to provide a quiet homework area dependent upon what space is available during the before and after school programs. SOI staff cannot provide private tutoring for homework. However, SOI does offer a Homework Contract which is signed by the parent/guardian and the child, agreeing that the child will try to work on their homework a certain amount of time each day. Please contact your SOI Site Manager for more information.

### **Personal Possessions**

Electronics are prohibited when not part of a planned developmentally appropriate program activity per NYS regulations.

All items not permitted in the elementary schools will not be allowed in the School's Out Inc. programs. School's Out Inc. is not responsible for lost, stolen or damaged items.

### **Medication Administration**

SOI will not be responsible for administering medication to any children enrolled in any SOI program. SOI is not responsible for the transportation or storage of any medication. Children cannot carry or bring in medication to any SOI program. All medications must be stored at home. Parents/guardians/family members are welcome to administer medications at any SOI site.

Notwithstanding the above, immediate emergency medications, that are properly labeled and given to the SOI MAT certified staff with the Doctor and Parent/Guardian Consent Form completed, can be administered only by the SOI MAT certified SOI Staff such as asthma inhalers or EpiPen for bee sting or food allergies. If emergency medications are located at a child's daily SOI site, parent/guardians are responsible for picking them up, bringing them to the vacation program site, and returning them to their daily SOI site.

In order for SOI Staff to administer medications, SOI Staff must complete ten (10) hours of training and receive a Medication Administration Certificate from New York State. Parents/guardians will be notified immediately if a child is found with unauthorized medications. If a child requires medication and there is no MAT certified staff available, parents will be notified that they are responsible for their child's medication.

## **Allergy and Anaphylaxis Policy**

### **Anaphylaxis Prevention**

Upon enrollment and whenever there are changes, parents/guardians will be required to provide the program with up-to-date information regarding their child's medical conditions, including any allergies the child may have and any emergency medications prescribed for potential anaphylaxis. The parents/guardians will work in conjunction with the program and the child's physician to complete the documents required for any allergy that the child may have. These documents will guide all staff in the necessary actions to take during an allergic or anaphylactic reaction. The program will keep these documents and any emergency medications in a designated area known to all staff members as outlined in the program's healthcare plan and will ask for updated paperwork when necessary.

### **Documents**

Any child with a known allergy will have the following documents on file when applicable:

- o NYS OCFS form 7006 - Individual Health Care Plan for a Child with Special Healthcare Needs or approved equivalent
- o NYS OCFS form 6029- Individual Allergy and Anaphylaxis Emergency Plan or approved equivalent
- o NYS OCFS form 7002 – Medication Consent Form or approved equivalent

These forms will be completed by the child's parents in conjunction with the program and the child's physician. In the event of an anaphylactic reaction, staff will call 911 and follow the instructions outlined in these documents.

### **Staff Training**

All staff members will be trained in the prevention, recognition and response to food and other allergic reactions and anaphylaxis upon hire and at least annually thereafter. In addition, at least one staff member will complete the required NYS training on allergies and anaphylaxis. Several staff will also maintain certifications in CPR & First Aid and medication administration. If a child with an allergy requires the administration of Epinephrine or other emergency medications, the parents will be required to train any staff member caring for that child on the administration of the prescribed medication.

### **Strategies to Reduce the Risk of Exposure to Allergic Triggers**

Each classroom will have a posting with a list of individual children's allergies that is visible to all staff and volunteers caring for the child. All staff will take steps to prevent exposure to a child's known allergy, including but not limited to reading food labels. Handwashing, cleaning, and all other regulations related to allergies and anaphylaxis as outlined in the OCFS Childcare Regulations will be followed by all staff and volunteers.

### **Communication**

Upon enrollment of a child with a known allergy, all staff and volunteers will be made aware of the child's allergy and associated medication needs, as well as ways to reduce the risk to exposure to said allergen. In addition, all parents and children will be made aware of any allergies in the classroom, as well actions being taken to reduce exposure. Confidentiality will be maintained when discussing any child's allergy with parents and other children.

### **Annual Notification to Families**

Families will be given a copy of the program's Allergy and Anaphylaxis Policy upon enrollment. This policy will be reviewed and updated annually. Families will receive an updated copy of this policy annually and whenever changes are made.

### **Absences**

Please email your child's SOI site if your child will not be attending the SOI PM program. It is imperative the parent/guardian contact SOI regarding a child's absence or SOI will search for them. Site contact information can be found in Appendix C.

When SOI is not notified of a child's absence, the SOI staff will start a search for the child by phoning the parent/guardian, emergency contacts, and the Bethlehem School District Bus Garage until the child is located. After three (3) incidents of searching, SOI will apply a \$15.00 charge for each additional occurrence. Continuous non-compliance could result in termination from the SOI program.

### **Illness and Daily Health Check**

A daily health check occurs when the children arrive at any SOI program and continues throughout the day. Any unusual findings are entered into the medical log. If children in any SOI program are exposed to a communicable disease as described by the OCFS, this will be communicated in writing via the parent/guardian bulletin board at their SOI site.

Any child who arrives with signs of illness will not be accepted into any SOI program. These symptoms include a temperature of one hundred (100) degrees or more, vomiting, or more than one episode of diarrhea within a twenty-four (24) hour period. Children showing any of these symptoms while at a SOI program, will be isolated in a quiet area and parent/guardians or emergency contact will be notified to pick the child up immediately. In the before school program, children with signs of illness will not be dismissed from program and will not be sent to school. Any child sent home from school is not eligible to return and attend the after-school program at their SOI site.

Any child who has a history of occasional bathroom accidents, must have a change of clothes at their SOI site and must bring them to any vacation programs.

### **Injury and Medical Emergencies**

First Aid will be administered for minor injuries. All injuries and treatment given will be documented in the medical log.

In case of a severe incident, 911 will be called and parents/guardians/emergency contacts will be notified immediately. A SOI employee will accompany the child in the ambulance. The SOI Administrative Staff will call the parent/guardian the next day for updates on the child's condition.

A two (2) week written notice to SOI is required should any parent/guardians decide to withdraw their child from the before and/or after school programs or change their schedule for any reason. Approval for requested schedule changes will depend upon space availability. Only one (1) change per school year is free of charge. Each additional change will cost \$10.00.

Parent/guardians may make a maximum of three (3) requests for additional days not normally scheduled during the school year if space is available. Those requests should be sent directly to the SOI office.

### **Respect for SOI Staff, Other Students, and Property**

SOI asks that all children have respect for SOI staff, other SOI students, SOI property and/or equipment, and the Bethlehem School District grounds and property. This includes following all rules and policies set by SOI on the proper use of certain property and/or equipment. In instances of a child showing repeated disregard or disrespect for property and/or equipment, the parent/guardian will be notified immediately, and appropriate consequences will be taken.

However, if it is determined that the child's continued presence in the program jeopardizes the health, welfare, and safety of other children and/or SOI staff, SOI reserves the right to terminate all services immediately. Reasons for the immediate removal of a child from a program includes, but is not limited to:

If a child exhibits behavior that is more severe such as fighting, verbal abuse, unprovoked physical altercations, endangering the welfare of others, assault, vandalism, running away from the program, hiding from staff, or leaving the program area without staff supervision, a parent/guardian/guardian will be notified that the child must be picked up within one-half (1/2) hour. If the child is not picked up within one-half (1/2) hour, the child will not be permitted to return to the program the following day. If severe behavior continues upon return to the program, a suspension of up to five (5) days may be issued. Continued severe behavior may result in termination of services.
